

VOLUNTEERS NEEDED!

December 6-7
Crowne Plaza Hotel, Warwick, RI

The 2018 ATMNE Fall Conference will be held on December 6-7 in Warwick, Rhode Island, and we need your help! The conference committee chairs are working diligently to prepare for the event, but they are looking for help in the following areas:

- Equipment and Technology Support
- Exhibitors (soliciting sponsors/vendors and working with exhibitors)
- Hospitality and Special Events
- Manning the Registration and Hospitality Tables
- Publicity
- Registration
- Signs and Printing
- Workshop and Session Support

Volunteers who are not ATMNE members will be able to register for the conference at member rates. Volunteering could be a rewarding experience, as you provide a needed service for all conference participants. You will also have the opportunity to work with members of our educational community from different local affiliates.

If you are interested in joining a committee, please email Lynn Prentiss at lpq18@gmail.com (Corrected Email address). In the subject line, please write, "Volunteer for (insert committee name here) Committee".
